SMALL BATCH WINE PAIRING DINNER

TASTING NOTES

SMALL BATCH SPARKLING CPN

Made especially for Equatorial Wines here in Singapore, this is an extremely refreshing sparkling wine from the very cool climate of central Victoria.

Lots of green apple flavors, great bubbles and a citrusy finish.

~

SMALL BATCH PINOT GRIGO

With a dash of Arneis, this Pinot Grigio is straw in color with hints of bronze from the pinkish skins of the Pinot Grigio grapes. Intense aromas of Orange blossom perfume, some rock melon and fruit spice jump from the glass. The palate is ripe, but delicate with citrus and tropical melon notes and a silky texture.

~

SMALL BATCH PINOT NOIR

A vibrant Pinot Noir that glows cherry red. Complex savory notes mingle with aromas that remind of forest walks and succulent red fruits. A young varietal wine that seduces the palate with subtle cherry and strawberry notes.

~

SMALL BATCH SHIRAZ GRENACHE

This Shiraz blend is bright red in color. On the nose, blueberry, rum and raisin and plum pudding notes. Balanced with soft tannins, this wine has ripe red fruit flavors with a long sweet finish – courtesy of the grenache.
